

HELMDON PARISH COUNCIL

RISK ASSESSMENT POLICY

The following control systems are in place to ensure that Helmdon Parish Council is doing everything possible to protect the electorate from financial risk and harm. The Risk Assessment document will be reviewed annually.

FINANCIAL RISKS

RISK	MITIGATION	MONITORING/ACTION
1. Risk of funds being unavailable due to employee's unauthorised removal or mismanagement.	1. Fidelity Insurance up to £100,000. 2. All expenditure to be approved at council meetings, following inclusion within the agenda for that meeting (open to public inspection). 3. Requirement for two Councillors to authorise all payments. 4. The RFO will make regular returns to the Inland Revenue to ensure that they are kept informed of monies paid to the Clerk, or any other employee. 5. Year-end accounts will be prepared by the RFO for circulation to the Parish Council by the end of April following the financial year-end on 31st March. 6. Appointment of Independent Internal Auditor will be reviewed annually at the Annual Meeting of the Parish Council in May of each year. 7. Council to obtain employment references covering the previous three years for all new employees. Where employment references are not available, and having established an acceptable reason why, character references must be sought. 8. No petty cash to be kept. 9. Clerk to claim expenses at least quarterly. 10. Financial Records will be inspected by the Internal Control Councillor on a quarterly basis. Details of their inspections will be recorded on the Internal Controls checklist and reported to Council at the next main meeting.	▪ Financial statement received at every parish council meeting. ▪ The Finance Committee will carry out a regular review of the accounts (at least every six months) and report their findings to the Council.
2. Risk of accounting errors due to lack of financial control.	1. The RFO's job description to be reviewed annually. 2. All financial documentation will be held by the Responsible Financial Officer, e.g. cheque books, paying in books, invoices, receipts, bank statements, VAT reclaim papers, electronic receipts and payments accounting system. 3. Approved payments will be entered on the computerised receipts and payments	▪ The Finance Committee will carry out a regular review of the accounts (at least every six months) and report their findings to the Council. ▪ Financial Regulations to be reviewed
